Dear Parent/Carer

I hope you are well and that your son/daughter is settling in to Toot Hill College life.

As we approach the end of week three, we are nearing the final date for subject changes i.e. 20th September.

It is time for students to determine whether their current choices are suitable for them. The deadline is in place to ensure that if they do change courses, they have not missed too much content in their chosen subjects.

For those students who are still unsure about their final choices, I would like to encourage them to talk with their tutor and teachers about specific subjects and read through the College Course Guides on the Toot Hill website to determine whether the content and method of assessment is suitable for them. Please also advise them to check the entry requirements carefully before considering a subject.

If your son/daughter is still of the opinion that they would like to swap to a different subject, please urge them to come and speak to either myself or the College Team to discuss this.

Please do not hesitate to contact me with any questions.

Yours sincerely

C. Roberts
