Dear parents and carers,

Year 12 trip to University Search's Leicester Spring 2023 Fair.

The Leicester Spring 2023 Fair is an exciting and informative event which will provide ALL year 12 students with the opportunity to speak to a multitude of exhibiting universities and apprenticeship providers. These will include: **Russell Group, red brick and modern institutions**, as well as **apprenticeship providers and local colleges**.

The fair will feature a wide range of vital **seminars** including: UCAS personal statement & application advice; why take an apprenticeship; choosing a university course; higher and degree apprenticeships and student finance.

The event takes place on **Friday 17th March at the King Power Stadium in Leicester**. Students will register in the morning at 8.25am as normal before boarding the buses at 9.15am and we will return in time for the end of the college day at 2.10pm.

The cost of the trip is £5 which includes travel and entry. Students should bring a packed lunch and a drink on the day.

Please use Scopay to pay £5 and to give your consent it is important that you also follow this link: <https://www.toothillcollege.co.uk/careers-fair> Please ensure you complete both payment and give consent **by Friday 24th February**.

We look forward to taking the **entire year group** with us for this exciting opportunity which will help students to begin considering their next steps before the final half term when we will begin the 'my future' focus as part of the personal development curriculum.

Yours sincerely,

C Mordue
