Dear Parents/Carers

A Return to A Full School Opening on Monday 30 November 2020

Many thanks for your support of the partial school closure this week. We are so proud of our students for engaging with the multitude of lessons that have been live streamed into homes. In addition, I would like to thank our staff for engaging with this new form of teaching so successfully. It is certainly a style of teaching that no member of staff ever envisaged taking place before the current pandemic!

I am pleased to report that we will see a return to a full school opening on Monday, following the anticipated return of a significant number of teaching staff who are currently self-isolating. It should be noted that in the event of another significant staffing reduction, we would apply these same partial closure measures again. To support contingency planning for families, we would utilise the same pattern of days for year groups as implemented this week. I would like to stress that it is our intention to keep the school open for all year groups and our safety measures strongly support this aim.

Kind regards

Yours sincerely
